

## List of Training Providers

July 2021

*DISCLAIMER: The information provided in this document by WOMED and their constituent Partners is for general informational purposes only. All information in this document is provided in good faith, however we make no representation or warranty of any kind, express or implied, regarding the accuracy, adequacy, validity, reliability, availability, or completeness of any information in this document. Under no circumstance shall WOMED and their constituent Partners have any liability to you for any loss or damage of any kind incurred as a result of the use of the information in this document or reliance on any information provided in this document. Your use of this document and your reliance on any information on the site is solely at your own risk.*

Subscribers to the 'Skills: Assessment' tool who find they have a competency deficit need to firstly identify which skills are the most important to them.

Firstly, you should create yourself a GRID to determine your priorities. Here is an EXAMPLE of what your grid should like.

Identified Skill	My skills are currently adequate	I have the skills but need to develop them	I don't have the skills; I need them now
Film Making			
Finance			
Management			

Once you have identified your priorities choose the Training Provider that best meets your needs and contact them directly. The training provider will explain to you what they have to offer and on what terms.

**NOTES:**

*You will need conclude the training provision directly with them and not WOMED and their constituent Partners.*

*A number of the providers offer courses in more than Topic so they have been registered under each relevant topic.*

The following pages list training providers from various Countries that offer courses related to one the activities in each of the 6 Categories and directly correlate to the self-assessment questions. You

**The topics included below directly correlate to the self-assessment questions.**

- 1. Film Making**
- 2. Editing**
- 3. Finance**
- 4. Information Technology**
- 5. Management**
- 6. Marketing**

France	<p><b>European Short Pitch</b></p> <p>European Short Pitch, initiated by NISI MASA - European Network of Young Cinema, is an annual program aimed at discovering and supporting young European talents in the development of their short films, and fostering coproduction and collaboration between industry professionals from all over Europe. European Short Pitch combines mentoring on short film development with a pitching and networking event, our Coproduction Forum. Since its creation in 2007, European Short Pitch has accompanied over 300 scriptwriters and directors in the development of their projects. Many of those short films had a successful career and were screened at festivals such as Cannes, Berlinale, Locarno, Sundance or IFFR...</p>	 	Flexible	Both
France	<p><b>3iS Bordeaux</b></p> <p>Founded in 1988 and located in Bordeaux, Paris and Lyon, 3iS is today the leading European audiovisual campus, with 15,000 m<sup>2</sup> of infrastructure, entirely dedicated to the creative industries. Every year, nearly 2,000 students are trained in the fields of cinema, audiovisual, sound, special effects, animated film, video games, graphic and space design and live performance. Training courses on offer: Cinema and Audiovisual (fiction and staging, audiovisual direction, production, editing, image); Sound (Studio/Sound, Cinema/TV/Radio, Sound Design); Special Effects; 2D/3D Animation; 2D/3D Video Games; Live Performance.</p>	 	YES	Both
France	<p><b>CINEMAGIS</b></p> <p>Cinémagis trains professionals in the fields of cinema and fiction: script / direction, image, editing, sound and visual effects. The school's DNA is based on small numbers (fifteen students maximum per year), practice at the heart of the learning process and individualised follow-up. Each year, the school allows its students to write, shoot and post-produce a feature film at the end of the course. Students can carry out internships on the sets (mes, image, lighting, machinery, set design, direction, sound...) and in post-production throughout the year according to the needs of the productions. Training courses offered: Cinémagis trains professionals in the fields of cinema and fiction in initial (three years) and professional (one year) training courses: script / direction, image, editing, sound and visual effects. These courses are validated by level 3 RNCP</p>	 	YES	Both

	professional titles: Assistant film director, Assistant film camera and Audiovisual Editor.			
France	<p><b>Les ateliers Varans</b></p> <p>Les Ateliers Varan, an internationally recognised film school, is a member of the CILECT (Centre International de Liaison des Ecoles de Cinéma et de Télévision), which brings together the main film schools around the world, and the GEECT (Groupement Européen des Ecoles de Cinéma et de Télévision), the European department of the CILECT.</p> <ul style="list-style-type: none"> <li>&gt; documentary filmmaking workshop</li> <li>&gt; documentary filmmaking practice</li> <li>&gt; documentary editing practice</li> <li>&gt; between rushes and editing: rethinking your film</li> <li>&gt; designing and producing a web documentary</li> <li>&gt; writing/developing a documentary project</li> <li>&gt; tools for documentary film writing</li> <li>&gt; directing sound in the cinema</li> </ul>	 	Flexible	Both
France	<p><b>RECA : Réseau Français des écoles d'animation</b></p> <p>The RECA is an Association under the law of 1901, which today brings together 28 French animation film schools that are undeniably recognised by the professional world, both in France and abroad. Its creation was accompanied and supported by the National Centre for Cinema and the Moving Image (CNC), and by the employers' unions representing the sector: the Union of Animated Film Producers (AnimFrance) and the Federation of Cinema, Audiovisual and Multimedia Industries (FICAM), as well as by the Pôle Image Magélis in Angoulême.</p>	 	Flexible	Both
France	<p><b>La fémis</b></p> <p>The Fémis (national higher school of image and sound professions) is a large public school belonging to the Ministry of Culture and Communication. It is financed by the National Centre for Cinema and Moving Images (CNC). It is a member of the Community of Establishments and Universities (COMUE) of PSL (Paris Sciences et Lettres) which brings together some twenty major higher education and research establishments (École Normale Supérieure, Université Paris-Dauphine, Collège de France, Mines ParisTech, École Nationale Supérieure des Beaux-Arts, Conservatoire National Supérieur d'Art Dramatique, etc.). The School's main activity is initial training in film professions: director, cinematographer, producer, scriptwriter, editor, sound engineer, set designer, scriptwriter, distributor and cinema operator. Two new courses were created at the start of the 2013 academic year: "Creation of television series" and doctorate (as part of the SACRe doctoral school of the University of Paris Sciences et Lettre (PSL)).</p>	 	Flexible	Both
France	<b>Gobelins, l'école de l'image</b>	 	Flexible	Both

	GOBELINS, the school of animated film, photography, graphic and motion design, interactive design, video games, print and multimedia communication, video and sound. Created more than 50 years ago, GOBELINS is the school of reference in the Visual Arts that trains in all the professions of visual creation, from the design to the production of the image in all its forms (fixed, animated, interactive, 3D), from printing 4.0 to Virtual Reality. More than 2,000 adult employees, business creators, casual workers, authors - also choose each year to become professional or to retrain by training at GOBELINS, benefiting from a diversified and constantly renewed offer.			
France	<b>Louis lumière : école nationale supérieure</b>  The ENS Louis-Lumière offers initial professional training, theoretical and practical, technical and artistic. Placed under the supervision of the Ministry of National Education and the Ministry of Higher Education, Research and Innovation, the school is a public establishment which recruits students with two years of higher education through competitive examinations. It provides teaching in the framework of three Masters programmes - cinema, sound, photography - crowned by a diploma at Bac+5 level.	 	Flexible	Both
France	<b>LE FRESNOY</b>  Le Fresnoy selects and welcomes students from all horizons of artistic creation (plastic arts, cinema, photography, video, architecture, music, performing arts, etc.), from all educational backgrounds and of all nationalities who wish to hone their knowledge and know-how by carrying out projects likely to launch their professional careers.	 	YES	Both
France	<b>ESAV Ecole supérieure D'audiovisuel</b>  Created in 1979, the École Nationale Supérieure d'Audiovisuel (ENSAV) offers its students an appropriation of the audiovisual production process through a curriculum and exercises centred on the making of films and audiovisual documents. More than 5,000 audiovisual creations have been produced by ENSAV and its students since its creation.	 	Flexible	Both
France	<b>IECA : Institut européen du cinéma et de l'audiovisuel</b>  The IECA is one of the few university and public structures in France to offer a complete training programme - from L3 to PhD in film and audiovisual studies. Academic and practical training is provided by university teachers and audiovisual professionals. It is supervised by specialised technicians and supplemented by internships in companies. France	<p><b>ECMA : Ecole des Métiers du Cinéma d'Animation</b></p> <p>EMCA is a school of the Charente Chamber of Commerce and Industry and was created in 1999. It benefits from the support of Magelis, a joint association of the Angoulême image centre. The aim of EMCA is to prepare its students for the practice of the animation film industry. The school's programme aims to bring its students to a perfect mastery of the digital and traditional tools specific to animated cinema. Through the making of short films, the school enables them to develop their sensitivity and creativity, encouraging their own expression.</p>	 	Flexible	Both
France	<p><b>ÉESI : Ecole Européenne Supérieure de l'Image</b></p> <p>The European School of the Image - EESI was born from the merger of the Angoulême and Poitiers art schools within a Public Establishment for Cultural Cooperation, through the desire of the two cities to create a school on a regional scale. It offers training courses recognised in the European network of higher artistic education. EESI is subsidised by the Ministry of Culture and Communication, the Aquitaine Limousin Poitou-Charentes Regional Council and the two host cities.</p>	 	Flexible	Both
